PANCAKE BREAKFAST

Hollandale, WI – Legion Hall

March 22, 2015 8am to 12 noon

The breakfast started off slow and gained a little momentum and in the end money raised for the scholarship fund was essentially equal to past years. Many volunteers helped; John Brown, Bob Johnson, Dan Bowe, Randy Massey, Rob Massey, Nick Hoffman, Charles Schriber, Robin Gilbertson, David Massey, Don Komplin, Dave Grinder, and Sean Shilling. Vernon Massey deserves much appreciation for being there from 6:00am to 1:30pm in addition to spending much of the previous two days hauling equipment from the Barneveld Lodge to Hollandale.

Agenda for April 14, 2015 – Dinner at 7pm, lodge at 7:30pm

1. Opening in Master Mason

- a. Post Sean Shilling's Master Mason obligation.
- b. Approve the March minutes and financial report.
- c. Finalize plans for Barneveld Pancake breakfast on April 26..
- d. Review and discuss first half of By-laws.
- e. **Guest Lecture: Tom Mueller, "The History of Wisconsin."**

Tom is currently Master at the Dodgeville Lodge and considers history one of his many passions. Tom enjoys public speaking and is very engaging. His style will keep you interested and you will walk away with a better understanding of how and why Wisconsin is the way it is.

This is the first of our lecture series for 2015. This program will be video-taped and made available on the Dodgeville Lodge web site. Be a part of history and see the beginning of "The University of Barneveld."

Tom Mueller, Master, Dodgeville Lodge

Future meetings:

May 12, 2015

Guest Lecture: Michael Mudrey, "Antarctica." Joining Michael will be **Ross Pollock**. These men worked in Antarctica and the focus of the presentation will be the science of Antarctica. This program will also be video-taped.

June 9, 2015

Guest Lecture: Jeff Schoenfeldt, "Cuba: A Socialist Experiment." For over 50 years this island nation has been isolated from most of the world. Jeff and his wife visited Cuba before this year's drastic change in Cuba's foreign policy. Experience Cuba as it was in its last days of isolation, before it becomes westernized.
